Summer Is Coming to an End

Our Labor Day BBQ closing out the summer was a success! Although I'm sad to see the summer end, I'm excited for the cooler weather, foliage and change in seasons.

This month, we will be celebrating National Grandparents Day the first Sunday after Labor Day. Join us for a root beer float as we celebrate Oktoberfest on Sept. 19. We also celebrate Rosh Hashanah on Sept. 25. Service will be held by the Rabbi at 5 p.m. in the Main Dining Room.

Resident Spotlight: Thomas Merkel

Mr. Merkel, known as Tom, was one of six children. He originally lived in Greenwich Village, NY, where he met his wife of 64 years, Frances. Tom enlisted with the Navy Air Corps and served two tours in the South Pacific. He earned several medals including a Distinguished Flying Cross Medal. Tom and his wife raised three charming daughters in Stuyvesant Town, NY before settling in Rumson, NJ for 40 years. He served as a NY Police Officer for 20 years. Upon retiring from the police force, he went on to work for Fireman's Fund Insurance for about 15 years.

Tom has six delightful grandchildren, two lovable great-grandchildren and will be welcoming a third great-grandchild in October. He enjoyed taking walks, the beach, music (especially the '40s), and became very well-known in his family as well as his neighborhood for his cookies. Many holidays, the neighborhood children came to the Merkel household to join in making some of Tom's famous cookies.

A Sad Remembrance Day

This year marks the 13th anniversary of the attack on America. We will never forget. There will be special programs broadcast on Sept. 11, so check your local TV schedule. In honor of those we have lost on this day, this day become known as Patriot Day.

Outdoor Fun

With cooler than normal temperatures this year, Inglemoor residents get to enjoy their activities outside.

Did You Know?

In 1752, Sept. 3 never happened—nor did the next 10 days! England and the American Colonies dropped the Roman-era Julian calendar (which had become 10 days out of sync with the solar cycle) and adopted the Gregorian calendar.

People rioted in the streets, thinking the government had stolen 11 days of their lives.
