Change of Seasons

The gorgeous scenery winter presents upon us as the snowflakes begin to fall. We can get lost in the imagery of a Winter Wonderland!

Peppermint Pick-Me-Up

Whether in candy canes, lotion or tea, peppermint is popular this time of year. The scent stimulates blood flow to the brain, which increases alertness.

Resident Spotlight

Connie Burt

Connie has been a resident with Inglemoor since September. Connie was born in Albany, NY, moved to Saratoga, then Boston and finally settled in West Orange, NJ. She is the middle child and has two brothers. Connie attended Hunter College before dedicating her time to her family. She worked on the computer system for CBS for 27 years. She has two children: a daughter, Debbie, who is a nurse at St. Barnabas, and a son, Lee, who is an Aerospace Engineer in FL. Connie has 2 grandchildren, one great-grandchild, and another great-grandchild who will be arriving in a few weeks.

Connie's main hobbies are crocheting and knitting. She has traveled to Spain, researched her ancestors at the National Archives, and visited France, where she strolled along the Champs-Élysées in Paris.

We welcome Connie to Inglemoor and are happy to have her join our family.

An Inspiration

Your amazing strength comes from deep inside,

How you do it, you should write a guide.

Your words and actions always inspire,

The way you do it, I truly admire.

The Rehab Department pays tribute to Linda Byles's strength and courage on Nov. 5.

Team Member Spotlight

Dalton Hall

Dalton is originally from Bonniagate, St. Mary, Jamaica. He is the middle child from a family of seven, 4 boys and 3 girls. Dalton came to the US on Christmas Day, 1988. He recently married Alicia on Oct. 25, 2014. Together they have three wonderful children, 2 girls and 1 boy, ages 16, 8 and 17.

When Dalton is not working, he loves playing music, singing and cooking. We love hearing his voice in the halls as he is polishing the floors. Dalton was a DJ for Blaze Radio for 6 years while also working here at Inglemoor. Dalton enjoys traveling; he has visited Canada, spent two weeks in Guiana, South America for a friend's wedding, and went to Las Vegas on his honeymoon.

Dalton has enjoyed working as part of the Inglemoor family for the last 13½ years, and we at Inglemoor are grateful to have him as part of our family.
