## Our Promise!

It's more than a comment card...  
it's a PROMISE.

At Inglemoor our mission is to provide our Patients and Families "Excellence in Service through our Commitment, our Caring, our Constancy and our Competency." If we are meeting that goal we want to hear about it, and ask you to let us know in the space provided. If we are "falling short" of our goal we want to immediately remedy that situation and ask you to reach out to the Department Head in charge of your concern so it can be addressed.

There is a box marked OUR PROMISE at the front desk.  
Cards can be found throughout the building.

## A Look Back at the Fun We Had in January!

We began a Writer's Workshop in January with the students at Livingston HS' Inner Voices' Writer's Club. Unfortunately future meetings needed to be postponed until Spring.

Karen & Rick of Karickter performed for us in January. Karickter is one of our Resident's favorite performers and we look forward to having them back regularly in 2020!

We celebrated Chinese New Year with Chinese Food and a "Chinese Take Out" table décor craft. Here, Eileen Sklar shows off our finished project.

## Resident Spotlight: Judi Ull

Judi Ull feels it has been an honor and privilege to serve as Inglemoor's Resident Council President. She sees her role being two-fold: acting as the "voice of the Resident" and representing them at the Resident Council meetings; as well as acting as an ambassador to meet and greet fellow residents, and listening to their concerns and needs.

Judi was born in NYC on October 8, 1948. When she turned 7, her family moved to NJ. She graduated from Henry Snyder HS in 1966. She was an honor student and had a lot of friends. She loved Latin and advanced English. She then attended Trenton State College, and went on to become Head Bookkeeper at Scientific American Magazine.

In 1969 she was married and when her first child, Ilisa, was born, Judi decided to be a stay at home mom. She had her second daughter, Jennifer in January, 1976.

When Jennifer was 10 years old, Judi decided to fulfill a lifelong dream. She enrolled in the Institute of Medical Technology located in Columbus, OH. She graduated first in her class and pursued a position at a major Paramedical Com-

pany as Marketing Director and as its primary medical assistant.

In 2004, Judi was divorced after 43 years of marriage. Luckily she has maintained a close relationship with her mother-in-law, Sylvia Ull. Both of her daughters were married and Judi feels especially blessed with her extraordinary son-in-law, Sean Frye, with whom she has developed a strong bond. She now has four granddaughters, Victoria, Abigail, Kate and Molly. Judi

looks forward to their visits with great excitement.

A little about Judi: Her favorite singers are Celine Dion, James Taylor, Barbra Streisand, and Josh Groban, Favorite novels include: A Farewell to Arms (Hemingway), The Red Tent (Morrison) and Profiles in Courage (Kennedy). Her favorite past times include reading, and watching medical programs, documentaries, PBS presentations and chick flicks.

Judi fondly remembers a very hot August day in 2019 when her daughter Jenn, Sean, Kate and Molly were visiting from Chicago. When it was time to say goodbye, she leaned over, hugged the girls ever so tightly, and whispered, "I love you so much." With that, Kate and Molly
